

GUIDE FOR PRESCRIPTION

In order to make your YouZee we now need your prescription for glasses and the pupil distance.

You can show this guide to your optician/optometrist/eyedoctor to get the information needed. They can fill in the form below or print it out for you.

1. PRESCRIPTION FOR GLASSES

	Sphere, sph	Cylinder, cyl	Axis	Add*	Prism
RIGHT EYE OD	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>
LEFT EYE OS	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>	<input type="text"/>

* NOTE! Add is only needed if you have ordered the bifocal version.

2. PUPIL DISTANCE (PD)

RIGHT EYE OD	<input type="text"/>	TOTAL PD <input type="text"/>
LEFT EYE OS	<input type="text"/>	

3. SEND US THE PRESCRIPTION

When you have your prescription ready - take a picture/scan it and reply the confirmation email (order@youzee.se)

If there is anything else we need we will get in contact right away.

Thanks // Team YouZee
